**HVERHILL ROAD BRIDGE OVER SPICKET RIVER TO BE CLOSED
FOR RECONSTRUCTION STARTING SEPTEMBER 08, 2008**

Salem, NH – The Town of Salem Engineering Department wishes to announce that the Haverhill Road Bridge over the Spicket River will be closed for reconstruction starting September 08, 2008. Haverhill Road will be closed to ‘thru traffic’ between North Main Street and Klein Drive during this time period. Motorists are encouraged to seek alternate routes around the construction zone. The project is anticipated to continue into the late fall of 2008.

For further information on the Haverhill Road Bridge Project, please contact Robert Puff, Director of Engineering, Salem, NH at (603) 890-2033 or via email at rpuff@ci.salem.nh.us.
